What is a TRUSTED network
?

Talktalk
Fazio

Why is a TRUSTED network
Important
?

What are the first steps to
Take?

Introduce **baseline** standard internally

Encourage partners to adopt standard

Enforce supply chain to adopt standard (so it has to be reasonable)

Baseline standards

To recap

Introduce **baseline** standard internally

Encourage partners to adopt standard

Enforce supply chain to adopt standard (so it has to be reasonable)
